AVI-OIL India [P] Ltd, a joint venture of Indian Oil Corporation Ltd., Balmer Lawrie and Co. Ltd. and NYCO France, and its authorized distributor M/s Tentacles Aerologistix jointly announces that ALLIANCE AIR, a wholly owned subsidiary of Air India Asset Holdings Ltd (AIAHL), has selected TURBONYCOIL® 600 to lubricate its regional fleet of ATR72 & ATR42 powered by P&WC engines.

In the words of Alliance Air's CEO Mr. Vineet Sood "We are delighted to confirm a seamless transition to our new engine oil NYCO TURBONYCOIL® 600 . Our rigorous multi-evaluation process ensures that the chosen supplier meets our high standards for quality, reliability, and cost-effectiveness. This move reflects our commitment to optimal engine performance and a successful partnership with NYCO and Avi-Oil"

Mr Rahul Pandey – Executive Director (Engg) said `We started using NYCO TURBONYOIL 600 since Sept 2023 and the support received from AVI-OIL for the smooth transition was commendable.'

“We appreciate this great opportunity to supply a field proven TURBONYCOIL® 600 to Alliance Air. We are committed to delivering quality products for optimal performance and look forward to a successful partnership for years to come” – said Mr. V K Mathew, CEO, AVI-OIL

Approved in line with demanding specifications, including SAE AS5780 SPC Class and MILPRF-23699 G STD Class, TURBONYCOIL® 600 is qualified by all major engine manufacturers (General Electric, Pratt & Whitney, Pratt & Whitney Canada, Rolls-Royce, Safran Aircraft Engines, Safran Helicopters Engines, CFMI...). It has been used for more than 35 years in jet engines of military and commercial aircraft.
